

**HEALTH INSURANCE SERVICES SOLICITATION**  
**RFP No. S-PA100-06-R-0001**

**QUESTIONS & ANSWERS #3**

**QUESTION No. 1** - SECTION H - H.4. Contractor Responsibility in Claims and Reimbursement to Claimants

CONSULTATION: paragraph (a) (1) it establishes a balance surplus in the ceiling of annual reimbursement by person, which is the annual amount that must be reimbursed (top?). As far as the procedure of the reimbursement we understand that the limit of such is the tariffs that the company has agreed with the lenders of the different medical specialties

**ANSWER:** The annual per person reimbursement ceiling is part of the offer as determined by each offeror.

**QUESTION No. 2** - Shall all internal documents of the company, such as business partnership agreement certificate, general balance sheets, report of reinsurance, economic solvency, etc. be in the English language, and if in that case should the numbers be in dollars?

**ANSWER:** Business partnership agreement or deeds, general balance sheets, reinsurance report, economic solvency, etc. or other general internal company document is not necessary to be in the English language, nor the figures in the balance sheets needed to be in dollars.

**QUESTION No. 3** - The authenticated copies must be for the 4 copies of the offer or by copies of professional certificates of the doctors? or by both copies?

**ANSWER:** All documents included/provided in the offer shall be authenticated.
